

AQUIFERWATCH DONATION FORM

The mission of **AquiferWatch** is to educate Floridians on the fundamental concepts of groundwater hydrology and encourage the monitoring of Florida's groundwater resources by volunteers. Your tax deductible donation helps fund education, monitoring equipment, and research efforts, all which are crucial to preserving Florida's groundwater and drinking water resources.

With your donation, you automatically qualify to receive the AquiferWatch newsletter. Check off your donation amount below if you would like to make an additional donation please indicate as Other:

_____ \$1,000
